BRANCH FAMILY CEMETERY

Visited November 2, 1974. Mr. Horace Colby told the compilers about this small cemetery. It was located some 150 to 200 feet south-east of the corner of Frayser Blvd. and University Street, at the back line of the property at 2239 Frayser Blvd. A small knoll of land at that point held a large trash pile of limbs and other yard debris. Two stones were located, but only one inscription.

M. Branch
Died July 15, 1850
Aged 60.

Only the lower half of the other stone was found. Mr. Colby told compilers he believed the inscription was for J. Branch, but the dates were not known. The 1850 Census of Shelby County, 6th Civil District, Page 115-R, dated 11 Oct, 1850 shows:

#554 Branch, Benj. L 38 TN
 , Emaline 38 TN
 , Geo. 9 TN

#555 Branch, John N. 62 VA
 , Margaret 60 NC
