MASSEY FAMILY CEMETERY

Visited November 7, 1973. The compilers were guided to this cemetery by Mr. Laurens Massey who said the original Massey home was located on the site of the present Hendrix home, 1646 West Massey Road. This Massey Cemetery is located in a wooded and overgrown area approximately 300 yards northwest of the home of Mr. and Mrs. Norfleet Turner, 1277 East Massey Road, on property owned by Bayard Boyle. Mr. Norfleet Turner told the compilers he had moved to the home about 1963 and believed a walkway from the drive toward the cemetery area may be paved with a combination of brick and pieces of tombstone. Three headstones, three footstones, and two other bases were found.
