Dear Mr. Ray.
I have kept up with The case through the newspaper and I want to write you. I hope and pray the Lord will put it in the heart of whoever opens this letter to see that it gets in your hands
As to who killed Kim I don't know, whoever did it, thought he was doing right. I suppose, but be that as it may, I'm sorry for you and would help you if I could.
There is One who can help you here on this earth and for all eternity, The Lamb of God that taketh away the sin of the World. The Lord and Savior Jesus Christ.
If you are not already saved please give your heart to the Savior, for He loves you just the same as all other people, and wants you to be saved.
Please read the inclosed tract Carefully as it makes the plan of Salvation very plain, and heed its (own)
