County Attorney
Court House
Memphis, Tenn.

Dear Sir:

a friend of mine, who lives in Little Rock ark., called and told me that the three witnesses for the Ray trial are living in a house at 506 Krell Street in Little Rock. You will be able to find them there because they intend to remain there awhile.

My friend said that he is quite sure that they are communists, so they won't come willingly when police go to pick them up.

Yours sincerely,
One, who wants to
help convict Ray.
