Attorney Phil M. Canale;
District Atty. for Selby Co. Tenn.
Dear Sir:-

The murderer off Dr. Martin Luther King & his lawer, Arthur Hanes and the Arab who killed Bob Kenedy, should all be hung up by the neck in the public square and all televised all over the world, as an example and a warnning to all their kind
God hates hands that sheed innocent blood and that goes for the war mongering bastardsons of Satan who are responsible for the thousands of innocent people killed in Vietnam.
