Dusty:
The attached letter or memo seems to be from a "Crack Pot" and only signature is E.K. I cannot get what message he may be trying to convey.

It mentions King Canada and Mexico which was mentioned in Ray's travels. Subject seems to be a Seminole Indian and could have been in Resurrection City. Note the post mark is from Ariz. It has no significance to me, see what you think.

migrate. You have many legislators in your area that I want migrated to Europe - even to Australia or Ukraine - even in Jail for confused electorate. Also, I want all persons who write letters etc. for Welfare Doctors - paid by the state or anyone - gone to Europe

be taken from my Place
of Jail etc, and placed
on a freighter - etc without
Assignment of Passage - and
sent back to the starting
point. If any other placements
are made - then the person
whom is not left or held - etc
shall go on Strike - or by [illegible]

with them to break away
and for false confinement &
all steps and his forgeries to
all kind of papers & echo
writings to Europe - to break
the Jail ups. If necessary -
if I don't get that Illegal bus
here - I may go there and
Get some other Cases, etc
