Jentlemen!

My name is Mrs Beverly Jean Evans 1693 Market street. San Francisco. calif Please Listen!

You have a man in the state Prision called James Earl Ray. charged with the shooting at Rev King Memphis. tenn! he is not the killer of Rev Martin Luther King! only a crack Pop!

there are 6-men involved in the killing of President Kennedy nov 22-63) Dallas Texas! Robert Kennedy Los angels calif. & memphis. tenn!

this man called James Ray looks like the killer. But is not the same man! Martin Luther Kings killer is still free! I want you People there in the supreme court to know the truth. I sure can Prove it. as I have it in writing in notes Letters!

I'm signing my name to this Letter also my address!
