Dear Sir:

Before you consider the slaying of Martin Luther King as a "closed case", perhaps you should take a look at what one of America's greatest "psychics" has to say on this subject (in a recent book about him).

This man R. C. ("Doc") Anderson makes such accurate predictions that people come from all over the country to see him and ask his advice. He writes for magazines, and he says the man who really shot M. L. King was murdered — shot himself — and that James Earl Ray was "framed" to get "the heat off". If you could find where this man is buried — you would really be famous — and I'll bet "Doc" could tell you pretty close.

His address is:
Mr. R. C. ("Doc") Anderson,
5800 St. Elmo Ave.,
Chattanooga, Tenn.

(404) tel no. 831-1091 for making appts.

(over)

Yours truly,

Mrs. George Huehns,
San Francisco, Cal.
