Subject: Charles Q. Stevens
leaving the city

Mr. G. H. Parker
Inspector
Special Services Patrol
Memphis Police Department

Dear Sir:

The undersigned working the Security Detail on Mr. Stevens in Car 162 working 7 AM to 3 PM did talk to Mr. Stevens approximately 9:05AM on October 27, 19[illegible] when he came from his apartment at 335 Washington. A short time later he left with a WM who is approx. 37 years of age named Al accompanied by a large F/A who is believed to be Al's wife. These parties left in a 1951 to 53 Chev. pickup, green in color, bearing 63 Miss. Lic., F/6 55155, with Al driving at which time they drove around and stopped on Third south of Vance for approx. 5 minutes and left there driving east. They next stopped at Park and Appleton at a service station and asked directions to Highway 72. They continued east on Park and were last seen eastbound on Highway 72 east of the city limits.

Charles Stevens was drinking heavily at this time but in our opinion was not public drunk. He did not mention that he intended to leave the city in the conversation with the officers just prior to his leaving. The WM named Al did talk to Officer Wilkinson just prior to Stevens coming from his apartment at which time he asked if Charlie would get into any trouble if he went to Corinth, Miss. with him and his wife to spend a few days there as they were old friends. He said Charlie seemed very nervous to him and that he would like to take him to his house. He was told that we would not restrict Mr. Stevens movements in any way, that we were assigned for observation and protection only. He inquired a second time as to whether or not Charlie would be in any kind of trouble when he got back. Officer Wilkinson told him that he did not know but it was possible that if he left this county he would be in violation of his court order.

They left the city at 9:50 AM which time the undersigned immediately advised the dispatcher by phone and then Inspector Parker at Station [illegible]. We were advised to proceed to Headquarters and write this letter.

Stevens did not carry any belongings upon departing 335 Washington.

Respectfully submitted,

T. B. Carr Pt[illegible].

B. J. Wilkinson Pt[illegible].
