IN THE CRIMINAL COURT OF SHELBY COUNTY, TENNESSEE

JAMES EARL RAY, Petitioner v. STATE OF TENNESSEE and LEWIS TOLLETT, WARDEN State Penitentiary at Petros, Tennessee Defendants	FILED 2-18-71 J. A. BLACKWELL, CLERK BY H. C. Mace D. C.

MOTION TO PRODUCE IN COURT
HAMMER AND PLIERS REFERRED TO IN STIPULATED EVIDENCE

Comes now the Petitioner and requests the Court to order production for examination by Petitioner of the hammer and pliers which allegedly left the trail which led the FBI investigation of the King assassination to Los Angeles.

Petitioner believes examination of the hammer and pliers will reveal no identifying marks which could have led the FBI to track Petitioner to Los Angeles and will thereby show how the extensive and false pre-trial publicity was detrimental to Petitioner's right to a fair trial.
