Dear Mr. McNeil,

When you visited me last week I was under the inpression that the Attorney representing me in the Rifle issue before Cr. Ct. Judge Brown in Memphis, William F. Pepper, had ask you to assit him in the case. Anyway after the visit I was contacted by Counselor Pepper who said you were not representing the defense in the case except for a brief time.

In any event Mr. Pepper will decide who works with him in the case before Judge Brown & he can use this letter to indicate I am in agreement with Mr. Pepper who has been representing me for 17 or 18 years.

Sincerely:

James E. Ray
