Sister MARY ERNSTINE, S.C., Principal St. Paul's Catholic School, 6828 Chef Menteur Highway, advised that number 242-5962 is the school's telephone number and she cannot recall who may have telephoned the school from Texas during the month of December, 1967.

Sister ERNSTINE explained that one of many salesmen, with whom the school does business, may have called for an appointment prior to his arrival in New Orleans. This could possibly be an explanation for the Texas call. Sister ERNSTINE advised she could furnish no specific information regarding the matter.

Sister ERNSTINE was shown photographs of the subject, JAMES EARL RAY, whom she could not identify as anyone seen at St. Paul's School.

GEORGE (NO MIDDLE NAME) PEREISS, 3718 Ideal Place, after being made aware of the official identity of the interviewing Agent, furnished the following information:

His residence telephone number is 947-3471 at the above address, which is occupied by PEREISS and his wife. PEREISS said that he is unable to recall any telephone call received on his residence telephone during the period December 15-17, 1967. He said that he knows of no relatives or acquaintances who might have been traveling in Texas during the pertinent period and who may have telephoned PEREISS' home. He can recall absolutely nothing regarding any telephone call to his home.

PEREISS mentioned that his wife is presently visiting relatives in Kentwood, Louisiana. He said that it is remotely possible that she may have received a call in December, but he is certain that she would have mentioned it to him, and he can remember no telephone call during December which his wife spoke of receiving. He said that his wife plans to return to New Orleans in about ten days.

PEREISS said that he has two relatives who live in Texas, and it is possible that either of them may have telephoned his home, especially since the call was made during the Christmas season; PEREISS recalls no such call from either relative, however. He identified the Texas relatives as his wife's brother, ROY E. MC DANIEL, SR., who resides at 2414 Lovers Lane, Dallas, Texas, and MC DANIEL's son, ROY E. MC DANIEL, JR., residing at 2964 Lavita Lane, Dallas, Texas.

After viewing photographs of JAMES EARL RAY, PEREISS advised that he had previously seen photos of RAY in the newspaper, but the face does not appear at all familiar to him and he has never seen the man before. RAY's name and all known aliases likewise had no significance to PEREISS.

During the interview, it was noted that PEREISS is an elderly man who speaks with a noticeable German accent.
