Criminal Court - Shelby County.
Honorable Arthur Inquiry Presiding.
Memphis Tenn.

4-10-70

Dear Sir, P-672

This letter pertains to a letter I wrote to the honorable court that was evidently received on the 20th day of January, 1970.

The letter ask the court to order Petros attorney Perry Foreman to return certain materials to me.
The court treated the letter as a motion - Docket no - P. 622 - and I understand set a hearing for February - 20th. 1970.

I have never heard the results of the hearing and would appreciate it if the Clerk's office would write me what the Courts ruling was.

Sincerely.

Minutes mailed to JER on 4-13-70.
