Dear Jerry:

Their is not much to write, I rec'd your letter sayig you moved plus the card. Also Tell Carol I got the $10.00 + Thanks I will get Boreum to cash it when he see me which should be soon. That was best not to talk to Hue as I think he's been saying things I didn't tell him. I guess Jack is working hard as usual. Well I guess that's about all for now, Take it easy
