Dear Jerry;

I recd your last letter yesterday, your other letter I recd the same day I mail you one so didn't get to answer your questions. Mr. Foreman has been sick for about 3 weeks but I called him today, and he is better and will be up and see me today the 21st (am writing this letter on the 20th) I went to court friday and they told me I would have to go to trial with a public Defender if he was ready, That's after they tied me to the chair & gagged me. you did right sofar not talking to Hoie because he would of probly said something you didn't say to him, I'll have more to say to you about Hoie the next time I write. I turned over all the papers he gave me to Mr. Foreman and they show what he must be trying to do. If you could send them to that congressman plus what I have to tell you he could bring it out in the House of Rep. as they can't be sued for what they say. Tell Jack and everybody to take it easy and I will write to them through you. Take it easy

Jim
