Dear Jerry;

I thought I would write to let you know I went to court here, nothing much happen, A few motions that Mr. Foreman submitted were argued. Mr. Huie Stanley was also here, he appeared in front of the grand jury, and was arrested when he left. The Judge also had a few uncomplimentary thing to say about him so I assume he will be on the Judges case now and may be forget about me. I also heard from your uncle Willie, as you know I sent him a letter complaining about the attention he has been giving out about me, He wrote back accusing me of being crazy and a few other things. Well I guess that about all for now tell everyone to take it easy.

P.S. Bring me a change of address card when you come down, or mail me one.
