Dear Jerry;

I reid your letter monday & thoget I had better answer it after I wrote you monday morning. about making deals with writers, It allright with me but I don't want to talk to any of them myself also I would talk to Freeman before you get involved with any of them. you don't have to send me any change of address forms as I reid one today, what I would like for you to do the next time you come down is go to the main post office and ask them the procedure for renting a box in my name, Tell them Mr. Freeman will pick up any mail of mine also tell them he has a power of attorney to act for me. The post offie is just 3 or 4 blocks from the jail. As I have told you a half a dozen times before don't write down here telling all your business as everybody including the papers reads my mail that comes in here and they can make a story out of nothing, after you rent the Box you can send a telegram if you have any thing important to say. well I guess that about covers it.

Don't Worry

Jim
