Dear John;

I will just write a few lines to let you know everything is allright, I heard from Jerry Wednesday. He said he would prosby be down in a couple of weeks. I guess he talked to you ~~he~~ after the last time he saw me. Mr. Foreman hasn't been in since last Tuesday. so I look to see him Tuesday. I am not sure what's going on and don't much care. I won't put no return address on the letter so no one won't picket the house. Jerry calls you the real estate tycoon now, are you working? well I guess that's about all for now if there's anything I want you to know, I will tell Jerry when he comes down.

Take it easy

Jerry
