Dear Sir;

At the time of my arrest at the London airport on the instant charge, various items were taken from my person, Supt. Thomas Butler of Scotland yard sign the receipt, If your office has this receipt I would appreciate it if you would send me a duplicate copy, If you don't have the receipt I would also appreciate it if you would so notify me. The reason I want this information is that I recently saw another 'list' and this seemed to be some discrepancy's between the two lists. Thanks

Sincerly
