Attorney General's office 2-17-69

Dear Sir;

Would you please send me a copy of my original personal property receipt, This receipt was made out at the airport in Imland England at the time of my arrest and signed by Capt. Thomas Butler, As far as I know this receipt just listed what was taken from my person, not the complete list which was made out later.

Thanks

James E. Ray
Shelby county Jail
Memphis, Tenn.
