Dear Sir;

I suppose you have read the results of the trial, since it is over it is now allright with me if you file those libel suits that is if you still want to. My brother will send you the money funds to file the suit. Those articles come out in two "diffrent articles". Also I will put you on my visitng list in the event you want to talk to me about the above matter. I am not sure if I am allowed a social visit my first couple weeks at the prison, but I should think a lawyer could get in any time on legal matters, Also I think the time limit of one year to file the suits will be running out in a couple of months. Please do not send any mail to me here in memphis as I will prolly leave here in a short while.

Sincerely

James Earl Ray
