M. James Callagan Home Sect. 2-5-69

Dear Sir;

While in Wondsworth prism waiting extradition to the United States I wrote a letter to your office requesting that you relieve Chief Supt. Tomas Butler from my case, It was my contention that he gave false information to the court. I would appreciate it very much if you would have a duplicate copy of this letter sent to my attorney below as it might be an issue in the forth coming trial

The attorn's address

Mr. Percy Foreman
Attorney at law
Houston, Texas
U.S.A.

The name letter was sent to your office order: Ramon George Sneyd.

Thanks

Sincerly:
