Dear Jimmy;

Just a short note to let you know everybody is okay, and hope everything is okay down there.

I wrote all of them people a thank you note plus i also wrote that other fellow a letter.

I plan on coming down on March 3, but if anything comes up where you want me to come down before then ill be glad to do so.

if possible let me know in advance if you want to see me, so i can let the Sheriff know ahead of time, but if you dont have time iam sure the Judge would give me a court order to get in.

It was all over T.V. last night about Huey aggetting Arrested.

A Guy is writing a book concering you and the rest of the Family, he wanted me to sign a contract but instead of signing we both agreed that Mr. Foreman should read the Contract first, so he is mailing Mr. Foreman the contract to study.

So if everything goes as expected with the contract then on March 3, ill just move down to Memphis until the Trial is over.

There isnt anything else to write about so ill close for now, will write just as soon as i learn anything new.

As Ever

Brother

Jerry Ray.
