Dear Jimmy;

Iam just going to write a few lines to answer your letter I received Saturday.

Ill be down to see you within Ten days, as of right now i dont know the exact day as i would like to see Mr. Foreman first.

I wont write hardly anything of inportance today as ill be down to see you shortly.

Jack, Carol and everybody else in the Family are okay.

Ill write the Sheriff a few days before i come down to avoid any trouble of aggetting in.

I think that would be a good ideal about that change of address, to bad we didnt do it when they first brought you to Memphis.

Well i guess ill close for now, ill write again just as soon as i know the exact day ill be down.

Take care of yourself and dont let Barney and his comission get you down.

Brother

Jerry Ray.
