Dear Jimmy;

Just a few lines to let you know that I received your letter today, and that everything is okay here.
I dont know hardly anything new as i havent talked to hardly anybody since ive last seen you.
Jack or I will probley be down to see you next week, if iam not working by then ill probley come down, there is a couple of things i want to ask you concering Mr. Huie, Ill wait until I come down to find out what i want to know.
Jack went down and and picked Romeo up for Thanksgiving, We all had a Turkey dinner out at Carol House, Romeo is pretty good at playing pool, he beat Jack most of the time.
Concering all the comments the Attorney General Office of Tenn is making to the Press, its not inportant up here as they dont even put it in the Paper,
The only thing thats been in the St; Louis paper after you switched Lawyers, they ran a story on Mr; Foreman, concering his life, And thats about all, them comments there making about you i wouldnt worry about as i dont think they mean anything.
Ill close for now, let me know if anything comes up, more likely ill see you next week.

As Ever
Brother
Jerry Ray.
