Dear Jimmy;

Just A few lines to let you know that I received your letter and that everything is okay.

There isnt much News to write about, probley the only thing worth mentioning is Huie visit to the St;Louis area, he wanted to talk to Jack and I, but we wouldnt talk to him, Huie then went to Alton, Jefferson City, Fulton, he then gave off a lenghty Interview to the Press, I cut it out of the Paper and sent it to Mr. Foreman.

In the Interview he said he beleived you excaped the way the Warden said, and he beleived your version was a damm lie.

He is running another article in Look Magazine in which will be in the Feburary Edition.

In it he is going to give the Warden version of your excape.

Ill tell you more about it when i see you. Ill be down to see you just as soon as i can, iam going to try and save up enough so i can come down and stay for the Trial. As you can see on the outside of the envelope, I know longer live with the Real Estate Tycoon, we both moved a few weeks ago. Jack Address is I982 Arsenal.

Well until i hear from you take care.

as Ever
Brother
Jerry Ray.
