Dear Jimmy;

I throught i had better write a few lines and see if everything is okay, i dont know if you got it or not but i also wrote you a letter last week.

Everything is about the same around here, no news to report.

I havent seen the Real Estate Tycoon in a few daysbut Carol Talked to him over the phone yesterday and he is okay.

If everything goes okay i expect to visit you March I3, so write back and let me know if everything is okay.

If Mr. Foreman rented you that P.O. Box then you wont get this until he gets it for you.

You havent wrote to me since i visited you have you, if so i didnt receive it.

Well ill close for now.

As Ever

Jerry Ray.
