Yes, Ray should be impeached.

Yale House Memphis, Tennessee

My Dear Judge:

IER - #5
880 Wedgewood Dr.
Columbus, Ohio

I am so glad that you brought Earl Ray back. I really think that every darn troublemaker and roiter, and freedomsfighter and Civil Right leader should be hung or put in the gas chamber or get the electric chair. You just do that to him like you should do to all others.

thank you for bringing him to trail, Citizen Inga Rost
