Sheriff Bill Morris.
Memphis. Tennessee
Dear Mr Sheriff.

What Can you do - IN Self defense if "Negros" discover that Police and Sheriffs Deputies are not Constitutionally Qualified to be the "Keepers" of the Law. (?) (And they're not of course, as they now stand)

Its simple really, Make a Stencil that shows the lettering "Peoples Patrol" - Run all Patrol Cars (Police and Sheriffs) through the paint shop and Cover the present lettering on them ~~them~~ Stencil on the New Lettering of "The Peoples Patrol", IE. Put That Lettering ON The New Whirly Bird, too. Okay?

And Why Not? I, for one. Am sick of the Word "Police". It has been tattered into one of the Worst Cases of "Unusual punishment" I have ever seen. (The People Should be the Keepers of the Laws. Says Rev. Dawson)

Well any Way, In my own small Way I'm trying to keep my friends and "Cripple" my enemies - By stealing their Punch line.

Sincerely yours - Ellie Phillips
Memphis Tenn.

NO Reply Necessary, use the INK on a New "Stencil".
