MEMO TO SHERIFF MORRIS: Date July 11, 1968

Approximately 9:00 AM this date, Captain Cox and myself went to Logan-Lesh Communications in attempt to see Mr. Lesh. Mr. Lesh was out of town and we talked to Mr. John Baker who was not completely familiar with the conversation between Sheriff Morris and Mr. Lesh on Wednesday, July 10, 1968.

Mr. Baker contacted Mr. Lesh by telephone in Jackson, Tennessee and after a three-way conversation between Mr. Lesh, Captain Cox and myself it was decided that a meeting should be held Monday morning, July 15, 1968, with representatives of the County, Sheriff's Office, and Memphis Police Department, to determine just what could be worked out regarding another base station.

Respectfully,

J. G. Ray

J. G. Ray, Captain
